Dear Mr. Bezuidenhout,

SUBJECT: APPLICATION FOR THE ERECTION OF A PERMANENT STRUCTURE WITHIN THE VICINITY OF EROS AERODROME

I refer to your application dated 13 January 2022 for the erection of a permanent structure within the vicinity of Eros Aerodrome.

Pursuant to NAMCARs 139.11.6, the NCAA has no objection to the erection and operation of a **Base Transceiver Station** 22 km north of Eros Aerodrome at location **22°24'53.58"S, 17°04'7.26"E**. We further wish to inform you that, the review of your application concluded that, the proposed erection of the above-mentioned structure does not infringe the Obstacle Limitation Surfaces for the **Eros Aerodrome**.

Paratus Telecommunications (Pty)(Ltd) must ensure that all equipment used during construction and permanent structures remain within the limits specified in the application and ensure that they are marked and/or lighted as per the requirements.

Finally, the Namibia Civil Aviation Authority reserves the authority to initiate the removal of any obstruction within the vicinity of an aerodrome where it is in the interest of aviation safety (NAMCARs 139.11.7).

Your cooperation is highly appreciated.

Yours sincerely,

Mr. Ericsson M. Nengola

Interim Executive Director of Civil Aviation
