TO WHOM IT MAY CONCERN:

I Chief Siegfried M Tjijahura in virtue of the power vested in me as the custodian of customary land as enshrine in Traditional Authority Act no 25 of 2000, Subject to section 16, the functions of a traditional authority, in relation to the traditional community which it leads, shall be to promote peace and welfare amongst the members of that community, supervise and ensure the observance of the customary law of that community by its members.

I as a Chief of this area under Ovaherero Traditional Authority and with the residence of Ombujahamutuee we hereby assigned land of 5 hectare to local residence to do business that will uplift the local residence living standard, they will be trading under name Kehijomuramba Trading CC. Once this business is functional it creates 15 employment opportunity to local residence within our settlement area.

It is with our authorization that they are now welcome to do an environment impact assessment and all other legal assessment as deemed necessary for their operations.

For more information don't hesitate to contact me at the above contact.

I thank you in advance

Regards
