Please note that the following issues as discussed in the meetings should be implemented:

However, the Authority requests that these activities should be conducted in an environmentally and socially sustainable manner, as indicated and agreed in the public consultation meeting held with the community on the 28th October 2022 and follow-up meeting between Otombawe Mining Cc and the local community members on the 10th February 2022.

Furthermore, these activities will not only create employment opportunities for our residents, but also contribute to the development of Omatjete Settlement and Namibia as a whole.

Kindly take note that the Zeraena Traditional Authority is aware and support the prospecting and exploration activities to be conducted on Exclusive Prospecting Licence(EPL) No. 7233.

The above-mentioned subject has reference.
