Dear Mr. Sauber

RE: RENEWAL OF THE DISTRIBUTION AND SUPPLY LICENSE THROUGH CHANGING LICENSE CONDITIONS

The abovementioned matter refers.

The Electricity Control Board is pleased to inform you that the Minister of Mines and Energy approved the renewal of your distribution and supply licenses, in terms of section 23 (2) of the Electricity Act, Act 4 of 2007.

Please be informed that your licenses will be valid for a period of one year or until the RED is established, whichever event occurs first. The next renewal of your license conditions will be by 30 June 2021. You do not need to apply for the renewal. The ECB will initiate the process and once approved by the Minister you will be informed accordingly.

Kindly arrange for the payment and collection of your renewed licenses as soon as possible. The renewal fee is N\$10 000-00 (see attached invoice). You are reminded to adhere to all the license conditions as outlined in the license.

Yours sincerely

Foibe L. Namene
