

Memorandum

**Subject: EIA APPLICATION APP-003318
ENVIRONMENTAL IMPACT ASSESSMENT (EIA) FOR THE
PROPOSED NEW POWERLINE FOR TERASUN ENERGY NEAR
ARANDIS, ERONGO REGION**

**Submission of the final EIA report to the Ministry of Mines and Energy
(MME)**

The EIA process for the above mentioned powerline has been completed. The Final EIA report was submitted to the MME (i.e. Competent Authority for the proposed activity) on the 23rd of May 2022, for their review and consideration.

Once the MME have completed their review, they will share the report as well as their recommendations with the Ministry of Environment, Forestry and Tourism (MEFT): Department of Environmental Affairs (i.e. Office of the Environmental Commissioner) for their final review and decision regarding the application (MEFT Application number - APP-003318).

A "Consent Letter" can therefore not be uploaded by Namisun at this stage, due to the fact that the correspondence will take place between MME and MEFT, as per the above mentioned.
