### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Director  
Liongate Investments Cc  
P. O Box 21853  
Windhoek  
Namibia

Dear Sir / Madam

#### **SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE PROPOSED CONSTRUCTION AND OPERATIONS OF A FUEL SERVICE STATION ON ERF 767, GOREANGAB, KHOMAS REGION**

The Environmental Impact Assessment and Environmental Management Plan submitted is sufficient as it made adequate provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the construction and operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Liongate Investments Cc and their consultants.

This environmental clearance is valid for a period of (three) 3 years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Office of the  
Environmental Commissioner

Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
