### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Director  
Directorate of Planning and Technical Services  
Private Bag 13306  
Windhoek  
Namibia

Dear Sir / Madam

#### SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR UPGRADING OF TOURIST ROADS IN ETOSHA NATIONAL PARK

The Environmental Management Plan (EMP) submitted is sufficient as it made adequate provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with the Directorate of Planning and Technical Services and their consultants.

This Environmental Clearance Certificate is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
