OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
Whale Rock Cement (Pty) Ltd
P.O. Box 40193
Ausspannplatz
Windhoek
Namibia

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE MINING LICENCE (ML) 146 AND CEMENT PLANT SITUATED IN THE CLEVELAND FARM, OTJIWARONGO, OTJOZONDJUPA REGION

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this environmental clearance certificate with the following condition (s); (a) relevant permitting authority involved must be properly consulted and written consent obtained from them; and (b) any KEY biodiversity habitats must be protected.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to continue. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for any misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Whale Rock Cement (Pty) Ltd.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Fredrick Mupoti Sikabongo
DEPUTY ENVIRONMENTAL COMMISSIONER

“Stop the poaching of our rhinos”
