Dear Sir/Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR SEMI-PRECIOUS STONES IN THE MINING CLAIMS 70782-70784 SITUATED IN ORUTUMBA, KUNENE REGION**

I acknowledge receipt of all the necessary documents, which constitute the Environmental Contract between you and the Government of the Republic of Namibia.

On the basis of these documents, I am satisfied that you have provided sufficient commitment to limit unnecessary environmental impacts for the duration of your mining operation. This Ministry reserves the right to attach further conditions during the operational phase of the project. Henceforth, I issue this environmental clearance certificate with the following condition; if blasting is to be undertaken, environmental scoping and environmental management plan should be submitted to this ministry for approval.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Jose Cardose Alves.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
