Subject: Environmental Impact Assessment for the Zambezi Regional Council's Proposed Upearthng of the Mpukano Combined School Platform, located on the Eastern Flood Plain of the Zambezi River - APP 003399.

Dear Dr. Garus-Oas

This letter serves to inform the Ministry of Environment, Forestry and Tourism (MEFT), that I.N.K Enviro Consultants cc (I.N.K), an independent firm of environmental consultants, was appointed by the Zambezi Regional Council (**APP 003399**) to undertake the Environmental Impact Assessment Process for the above subject.

The EIA and EMP reports for the proposed project have been submitted and addressed to **Ms. Maria Amakali at the Ministry of Agriculture, Water and Land Reform: Office of the Director (Water Resources Management)**, as the competent authority, on 09 February 2022, to provide consent to the MEFT, for the above-mentioned project. It was further indicated to I.N.K, that the Office of the Director (Water Resources Management) will forward the requested consent letter directly to the MEFT.

I hope the above is in order. Please let us know if there is any further information that your Department might require to enable you to make a decision regarding this project.

Yours Sincerely,

Immanuel N. Katali
Lead Practitioner and Project Manager
