1.4 Airstrip

Desert Rhino Camp Airstrip is located about 2km south of the main lodge. The specifications of the airstrip are elevation 762 m above sea level, GPS coordinates S20:02:11 E013:50:35 – 1420 m Long – Compacted Gravel Surface. The infrastructure at the airstrip only include a wind soak and a fire shed.

No low flying is permitted due to the sensitivity of the area.

No turnarounds on the runway is permitted, aircrafts are only allowed to turn around at each end of the runway. The apron/parking is in the middle of the runway on the north-western side of the airstrip. The aircrafts are only permitted to park in this apron on the blocks for overnights as well as for drop-offs/pick-ups.

FIRE PLAN

The Fire Alarm

- Three long blasts on the emergency horn (if you have one) is the fire alarm, to be sounded in the event of a fire. If you don't have access to an emergency horn, alert your next door neighbour immediately and inform them to spread the news.

If you can control the fire:

- If you are able to smother or dampen the fire (i.e. with a blanket or water), please do so.
- If you are sure the fire is controllable and you are able to operate the nearest fire extinguisher (indicated on the map) properly, direct the spray at the base of where the flames appear to be.
- Under no circumstances attack a large fire or even approach the smoke zone if you are alone.
- Please do not take chances!

Fire stations:

The main fire station(s) (indicated on the map) are equipped with fire extinguishers, fire beaters, sand buckets, rakes and axes.

If you cannot control the fire:

- Evacuate immediately, taking the horn and a torch with you if possible.
- Find your way to the assembly area/meeting point as indicated on the map.
- If you are unable to reach the assembly area, proceed to any nearby area that is safe and alert fellow staff by using the emergency horn or yelling.

Fire in the main area:

In an event of a fire in the main area building, evacuate immediately and gather in the assembly area/meeting point as indicated on the map.

Please take time to familiarise yourself and your companions with this map.

Your safety is of our utmost concern – stay calm and move away from danger. Please try and assist other staff and guests who may be experiencing difficulties.
