OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
Ongaka Slates Enterprise CC
P.O. Box 1994
Oshakati
Namibia

Dear Sir or Madam,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED MINING ACTIVITIES ON MINING CLAIMS NO 66975 – 66980 AND 66212 & 66213, AND PROCESSING FACILITY FOR ONGAKA SLATES ENTERPRISES CC, AT RUACANA, OMUSATI REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as they made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Ongaka Slates Enterprise CC and their consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
