FOR ATTENTION: MR TIMOTEUS MUFETI – ENVIRONMENTAL COMMISSIONER (MINISTRY OF ENVIRONMENT, FORESTRY AND TOURISM)

RE – SUBMISSION OF THE EMP FOR THE PROPOSED SUBDIVISION OF PORTION A, A 1000 HA AREA, ON FARM OMIHE NO. 127 FOR TOURISM-RELATED ACTIVITIES, OTJOZONDJUPA REGION, NAMIBIA.

Dear Mr Mufeti,

Environmental Compliance Consultancy (Pty) Ltd (ECC) has been contracted by Anne Carola Diekmann to develop an environmental management plan (EMP), for the proposed subdivision of Portion A, a 1000 ha area, on farm Omihe No. 127 for tourism-related activities, in the Otjozondjupa Region, Namibia.

For this project, ECC proposes to only develop a comprehensive environmental management plan (EMP) for the following reason. Small tourism establishments, like the proposed project by nature have limited environmental footprints and low potential for significant adverse impacts on their surroundings. Thus, subjecting them to a full environmental impact assessment (EIA) could be excessively resource intensive.

In terms of Section 32 (1) of the Environmental Management Act, (EMA) No. 7 of 2007, ECC hereby submits the environmental management plan (EMP) and appendices (in hardcopy) to you as the competent authority.

The BID can also be accessed via ECCs website on the Projects page.

Should you or your office require our assistance with the details in this letter or report, please do not hesitate to contact us; we will gladly assist. We look forward to hearing from you at your earliest convenience.

Yours sincerely,
