

## PROJECT LOCATION

The Cape Cross salt pan is located along the coastal line, about 50km from Henties Bay within the Dorob National Park in Erongo Region. The proponent intends to continue undertaking salt work activities on the 10 mining claims; 68129 – 68138, situated at Cape Cross, Erongo Region, Namibia (GPS Coordinates: - 21.778056 lat, 13.986389 long) as shown in **Figure 1 & 2** for the locality of the mining claims for the industrial minerals (salt).
