The Managing Director
Craton Mining and Exploration (Pty) Ltd
P. O. Box 11363
Windhoek

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE EXCLUSIVE PROSPECTING LICENCE (EPL) 3589 SITUATED IN WINDHOEK RURAL DISTRICT, KHOMAS REGION

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout the process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to proceed. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Craton Mining and Exploration (Pty) Ltd and its/her consultant.

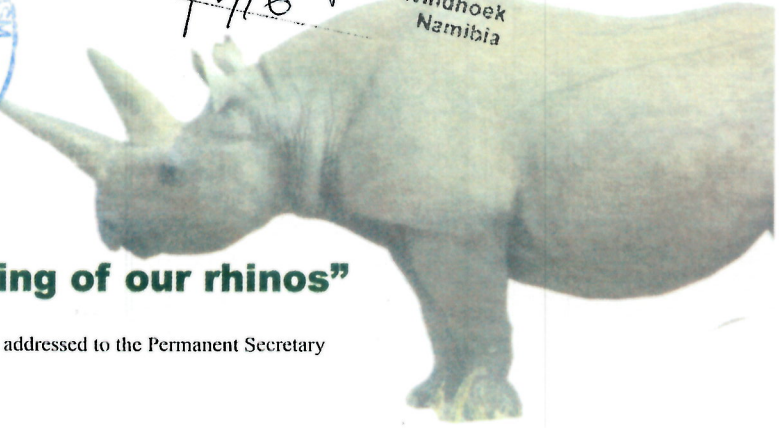

This environmental clearance is valid for a period of 3 (three) years from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
