Dear Mr Mufeti

SUPPORT DOCUMENT FROM RELEVANT AUTHORITY

On submitting an online application on the portal, the Environmental Clearance Certificate System requires that, amongst others, a support document from relevant authority be uploaded. While the proponent has these documents at hand, they are aware that the documents also contain information that are of a confidential nature.

These proponent is however willing to provide these documents to MEFT directly.

We trust that you will find this in order.

Yours faithfully,

Colin P Namene
