Mr. Timoteus Mufeti
Environmental Commissioner
Ministry of Environment, Forestry and Tourism
Private Bag 13306
Windhoek

Dear Mr. Mufeti,

**SUBJECT: AUTORIZATION FOR ERECTING COMMUNICATION TOWER IN
DAAN VILJOEN GAME PARK POWERCOM (PTY) LTD**

The Ministry of ICT has received applications for authorization in respect of the erecting Telecommunication Towers in Daan Viljoen Game Park, Khomas Region by PowerCom (Pty) Ltd. The Ministry of ICT as a competent Authority charged with the responsibility of granting authorization in respect of construction of communication networks including towers, telecommunication and marine telecommunication lines and cable has received the Treasury Authorization letter for the monthly leasing fee structure as well as the roles and responsibilities of each party for the proposed projects, and have no objection but nonetheless advises the following that:

- Infrastructure sharing regulations set by the Communications Regulatory Authority of Namibia are complied with during the operation of the project.
- Applicable provisions of Part 5 of the Communications Act, Act 8 of 2009 be complied with during the construction phase.
- The contractor abides to existing rules or regulations applicable to National game parks/conservancies.

This support letter and applications are hereby submitted to the Environmental Commissioner in terms of Section 32, Sub section (2) of Environmental Management Act 7 of 2007 for the issuance of the Environmental Clearance Certificate for PowerCom to construct the network tower.

We hope this will receive your highest consideration and esteem.

Yours Sincerely

MBEUTA UA-NDJARAKANA
EXECUTIVE DIRECTOR
