Dear Mr. Mufeti

SUBJECT: ENVIRONMENTAL MANAGEMENT PLAN (EMP) FOR THE OPERATION OF AN EXISTING SCRAP METALS HANDLING FACILITY IN NORTHERN INDUSTRIAL AREA, WINDHOEK, KHOMAS REGION.

This letter serves to notify your office that Environclim Consulting Service has been appointed by Sarel Scrap Metals cc to formulate the Environmental Management Plan (EMP) for the operation of an existing scrap metal handling facility.

We would like to bring to your attention that since the project is already in existence the environmental assessment process was merely limited to the formulation of the EMP, therefore, there was no public consultation undertaken.

Counting on your usual cooperation.

Yours Sincerely
