Dear Mr. Hamutenya

**RE: LETTER OF INTENT TO DEVELOP AND OPERATE A SERVICE STATION ON PLOT 38,
EHEKE SETTLEMENT, ONDANGWA**

We hereby acknowledge receipt of your Letter of Intent dated 09 February 2022 in relation to the above-captioned subject matter.

The Ministry has assessed and evaluated your letter of intent and business plan. Due to the growing demand of fuel and there being no sites in the location the proposed site is deemed viable and recommended.

We request that you submit, for our approval, three (3) sets of approved technical drawings for the proposed site. We also request that you submit for our endorsement, the application for Environmental Clearance Certificate (ECC).

The viability of the site is valid for **six (6) calendar months** from the date of this letter. You are, therefore, advised to apply for a fuel retail license in accordance with the Petroleum Products and Energy Regulations, 2000 and the published fuel retail guidelines and requirements, within the validity period.

Kindly take note, that this letter does not guarantee that you will be issued with the fuel retail license necessary to operate the site.

Yours sincerely,

TOM K. ALWEENDO, MP
MINISTER
MINISTRY OF MINES AND ENERGY
