Consent to use the Remainder of Portion 47 (a portion of Portion 2) of the Farm Ondekaremba No. 78 for a 'retirement village'

Portion 47 (a portion of Portion 2) of the Farm Ondekaremba No. 78 is located about 36km east of Windhoek along the B6 national road, 7km from the Hosea Kutako Airport. The Sonneleiten Retirement Estate is located on the north-eastern part of the Remainder of Portion 47 and comprise of living units as well as supporting facilities for the residents such as a care unit and a restaurant.

Sonneleiten Retirement Village has been in existence from 2007 and have obtained the necessary fitness certificates on a regular basis since then. However, upon request for the renewal of the fitness certificate for the Clinic for 2021 (14 years later), the existing consent was questioned due to inaccurate information in the Town Planning Scheme.

The Body Corporate were then advised to obtain the necessary consent in terms of Table B of the Town Planning Scheme to rectify the abovementioned. The renewal of the fitness certificate was granted subject to the application for the appropriate consent of the land use to the City of Windhoek.

Sufficient parking is provided on-site as per the City of Windhoek requirements.

Further take notice that the locality plan of the site lies for inspection on the Town Planning Notice Board in the Customer Care Centre, Municipal Offices, Rev. Michael Scott Street, Windhoek and at the offices of Du Toit Town Planning, 4 Dr. Kwame Nkrumah Avenue, Klein Windhoek.

Any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council (the Urban Planner-Town House, Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (**final date for objections is 19 May 2022**).
