Ms. R Knittle

Tel: 061 201 3067/ 3003

www.nampost.com.na

We Deliver More.

nampost®

We sketched out our business model and founded the company shortly thereafter.

Our most important lesson was that, while planning is important, it is vital to put your idea out into the market.

The information you acquire will surprise and help you tremendously. We did many small pivots early on to get our product to where it is today, and we expect there will be many more.

**ENVIRONMENTAL IMPACT ASSESSMENT
NOTICE TO ALL INTERESTED AND AFFECTED PARTIES**

	No <input type="checkbox"/>	
I would like my notification by	Email <input checked="" type="checkbox"/>	
	Tel <input type="checkbox"/>	
	Letter mail <input type="checkbox"/>	

What do you think about the project?

Answer: The project will be beneficial to farmers in close proximity as well as the remotest farming areas of especially Eiseb-Block.

What recommendations do you have for the project?

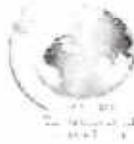

Answer: The commencement of the construction and subsequent operation of the fueling station should be done without any further delay.

Signature: *D. Hekeemo*

→ Fuel price-rates should be market related. They should be kept within the prescribed fuel rates at all times.
