RE: APPLICATION APP-003883

With regard to the documents to be uploaded in respect of the above application we submit as follows:

The land we are leasing is in the Dorob National Park granted for quarrying activities at the Old Mountain Quarry for which the Competent Authority, the Government of the Republic of Namibia, represented by the Ministry of Works and Transport and Ministry of Environment, Forestry and Tourism have given input in the form of approval for quarrying activities, environmental clearance certificates issued since 2012 to 2019 and consequently entered into a lease agreement.

I trust that the above will suffice for this purpose.

Your faithfully,

Freddie Hambeleleni Elifas
