Dear Mr. Elifas

Re: Quarrying activities at the Old Rossing Mountain Quarry, Erongo Region

I refer to your letter dated 11 March 2019.

Permission is hereby granted to conduct quarrying activities at the above site on condition that a lease agreement has to be entered into by your company and the Ministry of Environment and Tourism, as your quarrying activity is taking place in the Dorob National Park. Discussion on the lease agreement will start soon, and you will be informed of the process as soon as possible.

Yours sincerely

Pohamba Shifeta, MP
