Subject: Environmental Impact Assessment: Re-alignment of Tsandi- Omungulugwombashe Road, Tsandi, Omusati Region
Attachments: BID 21-0098 Tsandi Townlands 988_Final.pdf

Dear Potential Interested and Affected Party

Stubenrauch Planning Consultants (SPC) hereby give notice to all potentially Interested and Affected Parties (I&APs) that an application will be made to the Environmental Commissioner in terms of the Environmental Management Act (No 7 of 2007) and the Environmental Impact Assessment Regulations (GN 30 of 6 February 2012) for the following:

- **Re-alignment of Tsandi- Omungulugwombashe Road: Subdivision, Permanent closure, and Consolidation of the Remainder of Portion 1 of Tsandi Townlands No. 988 and subsequent creation of street, Tsandi, Omusati Region.**

The proposed activities trigger listed activities as per the List of Activities requiring Environmental Clearance (Government Notice 29 of 6 February 2012) and accordingly require an Environmental Impact Assessment (EIA) to be conducted.

In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this EIA. An Environmental Assessment will be undertaken to determine the potential impact of the development on the environment and to determine all environmental, safety, health and social impacts associated with the proposed development activities. A background information document is attached detailing the activity and the intended environmental assessment process.

In line with Namibia's Environmental Management Act (No. 7 of 2007) and EIA regulations (GN 30 of 6 February 2012), all I&APs are hereby invited to register and submit their comments, concerns or questions in writing via Email: bronwynn@spc.com.na; Tel: 061 25 11 89 or Fax: 061 25 21 57 on or before **17 December 2021**.

Kind regards
