RE: APPOINTMENT LETTER – HERITAGE IMPACT ASSESSMENT FOR THE PROPOSED JINDAL IRON ORE MINE ON EPLS 4194 AND 4013 WITHIN THE KHOMAS REGION, NAMIBIA.

Dear Eliot Mowa,

Environmental Compliance Consultancy (ECC) accepts the terms stated in the quotation as listed below. This letter serves to inform you that ESM Archaeological and Cultural Heritage Consultants has been appointed for the Heritage Impact Assessment for the proposed Jindal Iron Ore Mine on EPLs 4194 and 4013 within the Khomas Region, Namibia.

Timeline

As stated in the RFQ, this timeline would take 6 weeks from work commencement to produce a draft report and 8 weeks from work commencement to produce the final report. The proposed date of commencement is 1 August 2024 to be completed in the month of September 2024.

Fee and payment plan

The amount proposed for the Heritage Impact Assessment is N\$ 36,000 including VAT. Payment terms stipulated that 50% of payment is due before work commencement with the remainder 50% to be paid within 30 days after the final report is submitted. Invoices will be issued by ESM Archaeological and Cultural Heritage Consultants.

We look forward to working with you.

Yours sincerely,

Stephan Bezuidenhout
