The study will incorporate biophysical, ecological and socio-economic baseline investigations relating to the proposed project.

In terms of the Namibian environmental Impact Assessment Regulations of 2012, an Environmental Clearance Certificate is to be obtained before the project can proceed.

This is because under the Government Notice 29 of 2008, Section 6 **TOURISM DEVELOPMENT ACTIVITIES** that states:

6. The construction of resorts, lodges, hotels or other tourism and hospitality facilities.

THE PUBLIC PARTICIPATION PROCESS

The Public Participation Process (PPP) is an integral part of the EIA process whereby it allows the public to obtain information about the proposed project, to view documentation, to provide input and voice any concerns concerning the project. The Public Participation Processes that will be undertaken will include consultation with the local authority, line ministries, government extension offices, owners of neighboring properties and other I&AP's living around the proposed area.

During the meeting participants will be availed an opportunity to comment, ask questions and raise any concerns be it environmental or social regarding the proposed project. Comments will be recorded and considered in the Environmental Assessment report that will be submitted to the Ministry of Environment for review

AIMS & OBJECTIVES OF THIS EIA PROCESS

The aims of this EIA:

- To comply with Namibia's Environmental Assessment Policy, Environmental Management Act (No. 7 of 2007) with its 2012 EIA Regulations and;
- Consult all interested and affected parties such as local residents, town council and regional council to ensure that their inputs are taken into account;
- To assess the significance of issues and concerns raised;
- Review the legal and policy framework and its relevance to this project;
- Describe general and socio-economic environment of the project to determine impacts and suitability to the project site.
- Identify and assess impacts related to the continued operations.
- Compile an Assessment Report and Management Plan (EMP) which includes recommendations and methods to minimize the identified negative environmental impacts of the proposed project.
- To identify existing environmental conditions and associated environmental sensitivities within and adjacent to the project area that may potentially be affected, i.e. Environmental sensitivity and monitoring procedures.

PUBLIC NOTICE

Take notice that HARMONIC TOWN PLANNING CONSULTANTS CC, Town, and Regional Planners, on behalf of the owner of the respective erf, intends to apply to the City of Windhoek and the Urban and Regional Planning Board for the:

- Rezoning of Erf No. 2820, Windhoek from "Residential" with a density of 1:900 to "General Residential" with a density of 1:150; and
- Consent to commence with the proposed development while the rezoning is in progress.

Erf 2820 is located at the corner of Sturrock and John Simms Street within Windhoek Extension 2. The Erf measures approximately ±1 130 m² in extent and is zoned "Residential" with a density of 1:900 according to the Windhoek Zoning Scheme. The owner wishes to develop flats on their property in order to provide rental accommodation that is in line with the City of Windhoek regulations. The proposed rezoning will allow the owner to erect a total of 7 units on the erf thus optimising the use of the erf to its full potential, which is beneficial for both the owner of Erf 2820 and prospective tenants of the development.

Sufficient parking for the development will be provided in accordance with the requirements of the Windhoek Zoning Scheme.

Further, take notice that the plan of the Erf lies for inspection on the Town Planning Notice Board at the City of Windhoek and at Harmonic Town Planning Offices, 76B Pasteur Street, Windhoek West.

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the City of Windhoek and with the Applicant in writing within 14 days of the last publication of this notice (final date for objections is Friday, 24 May 2024).

**Presented by Fredrich Nghiyolwa
Junior Baiano Industrial Consultants cc**

1

Introduction & Purpose of this Meeting

- ❖ **About Adelt Sossusvlei Concession Management (Pty) Ltd** was awarded the exclusive right to develop, operate, manage and maintain a campsite site at Farm Arbeit Adelt and operation of Sossusvlei Shuttle services at Namib Naukluft national park.
- ❖ This has been identified as a possible project with potential to enhance tourism activities in the area and subsequently improve the economic muscle of Namibia
- ❖ Tourism is the back bone of the Namibian economy
- ❖ **The proponent** has thus appointed **Junior Baiano Industrial Consultants (JBIC)** to undertake the **Environmental Assessment (EA)** in order to obtain an **Environmental Clearance Certificate (ECC)** for the proposed developments.
- ❖ The competent authority is the Ministry of Mines and Energy whilst the Reviewing Authority is the Ministry of Environment and Tourism: Department of Environmental Affairs (MET: DEA).

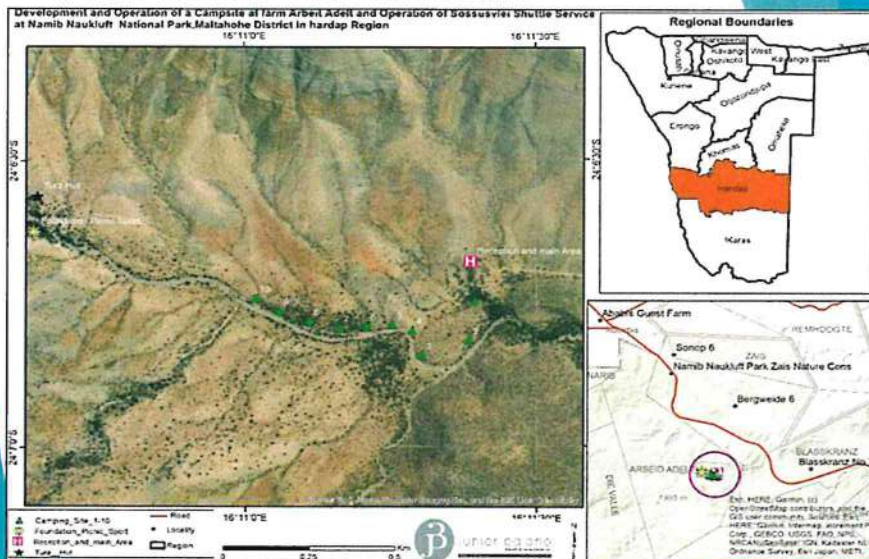

2

PROJECT RATIONAL

- ❖ Greater local employment and economic gain from increased foreign engagement with Namibian festivals and events. Increased local capacity and skill-set. Enhanced appreciation and conservation of Namibia's natural and cultural heritage. Increased social cohesiveness.
- ❖ Tourism is the fastest growing economic sector in Namibia and employs over 100,000 Namibians, especially from rural areas, making this sector an important employer that helps reducing poverty. In addition, Namibia's tourism sector is also one of the most competitive sectors in the world.

3

PROJECT LOCATION

4

Public Participation Process to date

- ❖ Placing EIA advertisements in two newspapers (Confidante and Windhoek Observer).
- ❖ Placing notices around Maltahohe ,Solitaire area, Sesriem on the project site and other main attractions in the area.
- ❖ Consultation with the relevant stakeholders, namely: Namib National Park, MEFT, Traditional and community leaders
- ❖ Providing written notice and Background Information Document (BID) to potential I&APs and stakeholders.
- ❖ Requesting potential I&APs to recommend other potential I&APs to be included in database (chain referral process).

7

PROJECT CYCLE:

- Project Identification and design
- Environmental Impact Assessment
- Implementation
- Construction of the development

8

ANTICIPATED PROJECT IMPACTS

Potential Impacts	Assessment to be Undertaken
Negative Impacts	
Land use Change (Aesthetic value)	baseline assessment
Impacts on fauna and Flora	JBIC EIA Team Vertebrate fauna (wildlife) and flora (vegetation) specialist assessment If there is need for specialist Assessment, the consultation process will Inform.
Impacts on surface and groundwater resources	JBIC EIA Team baseline assessment
Health and Safety hazards	JBIC EIA Team baseline assessment
Cumulative impacts of the project Operation	JBIC EIA Team baseline assessment
Positive Impacts	
Revenue generation	JBIC EIA Team baseline assessment
Land rehabilitation and Tourism attractions	JBIC EIA Team baseline assessment
Employment creation	JBIC EIA Team baseline assessment

9

Conclusions

- ❖ Based on the project, the EAP is of the opinion that the proposed development be authorised as the benefits outweigh the negative impacts pending a thorough EIA process.
- ❖ The significance of negative impacts can be reduced with effective and appropriate mitigation provided in the Draft Report and the EMP.
- ❖ If authorised, the implementation of an EMP should be adhered to as a condition of contractual works.

ITEM	DESCRIPTION	PERSON
1	Welcome and Introductions	
	All attendees present were welcomed on behalf of the Environmental Consultant and the agenda was confirmed. Apologies: Some members of the community were not present for the meeting because of different commitments, but there was a full representation of the community's interests.	Mr. Fredrich Nghiyolwa
2	Purpose of Meeting	
	-The meeting is to allow the public an opportunity to learn about the project. To allow the public an opportunity to provide their comments, questions, and concerns directly to the project team and open dialogue for questions and answers. -The consultant is undertaking this process because he is responsible for environmental clearance for the project with the Ministry of Environment, forestry, and tourism and there is a need for full participation of all the attendees to the meeting. -The Environmental Impact Assessment process in Namibia was explained to the members in attendance.	Mr. Fredrich Nghiyolwa
3	Background and overview of the project	
	<ul style="list-style-type: none"> Project sites map was shown to the attendees The project is in accordance to the Harambee Prosperity Plan and the Namibia Development Goals, and thus the need to address all crucial issues surrounding the project. All anticipated changes to the environment as a result of the project were thoroughly discussed by the consultant so that the community members would understand the implications of the project in both positive and negative angles. The period of implementation for the project was explained, in relation to what has been done, what is being done and what is remaining for the future. There was emphasis that the environmental consultant will be part of monitoring during construction and operation of the proposed development The preliminary findings by the EIA consultant indicated that the project's positive impacts will outweigh the anticipated negative impacts because for all anticipated negative impacts, the mitigation measures will be provided in the Environmental Management Plan 	Mr. Fredrich Nghiyolwa

Mr. Heiko Dörgeloh
Grow Namibia (Pty) Ltd T/A About Adelt Sossusvlei Concession Management (Pty) Ltd
P. O Box 173
Swakopmund
Namibia

Dear Mr. Dörgeloh,

**SUBJECT: FARM ARBEID ADELTA CAMPSITE / SOSSUSVLEI SHUTTLE SERVICE
CONCESSION AWARD**

I have received the outcome of the request for proposal (RFP) process conducted for the Farm Arbeid Adelt campsite & Sossusvlei shuttle service Concession inside Namib Naukluft National Park. I am pleased to inform you that your company was selected as the successful bidder for the concession.

This letter serves to award your company the 25-year concession development and activity rights subject to the signing of a Concession Operator Contract (COC) between About Adelt Sossusvlei Concession Management (Pty) Ltd and the Ministry of Environment, Forestry and Tourism. The Concession Unit will soon send you the draft of the COC to be signed between your company and the Ministry.

I wish you the best in your endeavours.

Yours sincerely,

Pohamba Shifeta, (MP)
