Re: **Environmental Impact Scoping Assessment and Environmental Management Plan for a Liquid Mud and Dry Bulk Plant, Walvis Bay**

Please note that the project, being a mining related service industry, was submitted to the Ministry of Mines and Energy (MME) as authority simultaneous with submission to the Ministry of Environment, Forestry and Tourism (MEFT). It is expected that they will provide feedback/consent on the application directly to MEFT as per their usual procedures.

Thank you in advance.

Sincerely,  
**Geo Pollution Technologies**
