Re: **Environmental Impact Scoping Assessment and Environmental Management Plan for Storage and Handling of Radioactive Source Material on erf 3954, Swakopmund, Erongo Region**

Please note that the project was submitted to the National Radiation Protection Authority (NRPA), Ministry of Health and Social Services, as competent authority, simultaneous with submission to the Ministry of Environment, Forestry and Tourism (MEFT). It is expected that they will provide feedback/consent on the application directly to MEFT as per usual procedures.

Thank you in advance.

Sincerely,
Geo Pollution Technologies
