## **MINUTES OF THE PUBLIC CONSULTATION MEETING FOR:**

### **THE CONSTRUCTION, OPERATION, MAINTENANCE AND DECOMMISSIONING OF THE PROPOSED WALVIS BAY INDEPENDENCE BEACH PROMENADE, WALVIS BAY, ERONGO REGION.**

**DATE: 15 MARCH 2024**

**VENUE: INDEPENDENCE BEACH, WALVIS BAY, ERONGO REGION**

**TIME: 10H00**

#### **PRESENT:**

C.P. Namene – Environam Consultants Trading (ECT)  
Joseph Amushila – Municipality of Walvis Bay  
Interested and Affected Parties (See Attendance Register)

#### **INTRODUCTION**

In terms of Section 21 of the EIA Regulations a call for open consultation with all I&APs at defined stages of the EIA process is required. This entails participatory consultation with members of the public by providing an opportunity to comment on the proposed project. A public consultation meeting was convened on 15 March 2024 for this purpose.

#### **WELCOMING**

Mr Amushila welcomed everyone to the meeting, and provided an overview of Walvis Bay Municipality's plans with the development of the promenade.

#### **ENVIRONMENTAL ASSESSMENT**

Mr. Namene indicated that an environmental clearance is required before such a development can proceed. He further explained the environmental assessment (EA) process and the reasons why EAs are carried out.

The attendees were also informed about the public participation process that has taken place so far, including newspaper advertisements, public notices on site, and to other pre-identified Interested and Affected Parties. Information was given on the components of the development touching on aspects such as the locality, design, engineering services and access.

Potential environmental concerns were provided to the attendees, while urging them to contribute any other impacts that they foresee this development will have on the environment. After the presentation the floor was opened for questions and input from the community. The issues raised are recorded in the following table:

COMMENT/ QUESTION BY	QUESTION/ COMMENT	RESPONDENT	RESPONSE
Joseph Kandowa – Community Member	<ul style="list-style-type: none"> <li>• Can you share a sample of the design?</li> <li>• Will fishing activities be allowed, how do we ensure smaller fisherman are not chased away?</li> </ul>	Joseph Amushila - Municipality of Walvis Bay	<ul style="list-style-type: none"> <li>• The Architect is currently busy with the designs, however a concept plans are available as can be seen affixed to the fence.</li> <li>• Provision will be made for a boat launching platform.</li> <li>• Provision will also be made for fish cleaning facilities.</li> <li>• The Ministry of Fisheries is the competent authority to deal with fishing permits.</li> </ul>
Lucky Shipanga – Community Member  Eben Ezer Petrus - Municipality of Walvis Bay	<ul style="list-style-type: none"> <li>• What will happen to the existing facilities?</li> <li>• Did the information reach the community? Consider using words other than “promenade” as many people may not be familiar with the word.</li> <li>• Other platforms for information sharing include churches.</li> <li>• Care should be taken to avoid creating a white elephant.</li> <li>• Advised to host these types of events on a Saturday to draw larger audience. Dear Potential Interested and Affected Party

Environam Consultants Trading is a wholly Namibian owned environmental management consultancy providing an array of environmental services to our clients including: Strategic Environmental Assessments; Environmental Assessments; Strategic Environmental Management Plans; Environmental Management Plans; Environmental Management Systems; Environmental Auditing, Monitoring and Evaluation; Solid Waste Management; and Project Management. Our daily activities are underpinned by excellent environmental outcomes aimed at achieving a symbiotic relationship between development and the environment.

We have been appointed by **the Municipality of Walvis Bay** to undertake the environmental scoping exercise and apply for an environmental clearance certificate from the Environmental Commissioner for the project below:

**Construction, operation, maintenance and decommissioning of the proposed Walvis Bay Independence Beach Promenade, Walvis Bay, Erongo Region**

This is a listed activity as per the *List of Activities requiring Environmental Clearance* (Government Notice 29 of 6 February 2012) and accordingly require an Environmental Impact Assessment (EIA) to be conducted.

In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this Environmental Impact Assessment.

An Environmental assessment will be undertaken to determine the potential impact of the development on the environment and to determine all safety, health and social impacts associated with the proposed development activities.

Should you require any additional information or would like to register as an I&AP, please contact us at Mobile: +264 81 458 4297, or E-Mail: [colin@environam.com](mailto:colin@environam.com); on or before **22 March 2024**.

A Public consultation meeting will be held on **15 March 2024** at the following venue and time:

- 10:00-12:00 at Independence Beach, Walvis Bay

TO: Ocean Conservation Namibia

Dear Mr Naude Dreyer

Environam Consultants Trading is a wholly Namibian owned environmental management consultancy providing an array of environmental services to our clients including: Strategic Environmental Assessments; Environmental Assessments; Strategic Environmental Management Plans; Environmental Management Plans; Environmental Management Systems; Environmental Auditing, Monitoring and Evaluation; Solid Waste Management; and Project Management. Our daily activities are underpinned by excellent environmental outcomes aimed at achieving a symbiotic relationship between development and the environment.

We have been appointed by **the Municipality of Walvis Bay** to undertake the environmental scoping exercise and apply for an environmental clearance certificate from the Environmental Commissioner for the project below:

**Construction, operation, maintenance and decommissioning of the proposed Walvis Bay Independence Beach Promenade, Walvis Bay, Erongo Region**

This is a listed activity as per the *List of Activities requiring Environmental Clearance* (Government Notice 29 of 6 February 2012) and accordingly require an Environmental Impact Assessment (EIA) to be conducted.

In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this Environmental Impact Assessment.

An Environmental assessment will be undertaken to determine the potential impact of the development on the environment and to determine all safety, health and social impacts associated with the proposed development activities.

As an important coastal stakeholder, we value your input and comments.

Kindly feel free to provide us with such on or before **22 March 2024**.

Regards,

**Colin P Namene**
