CONSENT IN TERMS OF TABLE B OF THE WINDHOEK ZONING SCHEME TO USE ERF 8401, WINDHOEK EXTENSION 6 FOR 'RETAIL/ WHOLESALE/SHOPS' UNDER THE 'INDUSTRIAL' ZONING

Take notice that DU TOIT TOWN PLANNING CONSULTANTS, are applying on behalf of the owners Erf 8401, Kalie Roodt Street, Windhoek, in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), to the Windhoek City Council and the Urban and Regional

Consent in terms of Table B of the Windhoek Zoning Scheme to use Erf 8401, Windhoek Extension 6 for 'retail/wholesale/shops'

Erf 8401 is located in Kalie Roodt Street in the Northern Industrial area of Windhoek, on the corner of the junction and on-ramp of the Western Bypass and Independence Avenue. A slipway from Independence Avenue leads into Kalie Roodt Street which gives access to the erf. The Build-It Store was located there for many years before they relocated to their current location. Erf. 8401, Windhoek is 3148m² in extent and zoned 'industrial' with a bulk of 1.0.

Erf 8401, Windhoek Ext 6 has been used as wholesale/retail business for many years. It was only when the new tenants applied for a fitness certificate on Erf 8401 for their Cash & Carry business that they became aware that consent from Council is needed for the retail/wholesale activities due to the erf's zoning being 'industrial' and retail activities are not included as a consent use in terms of Table B of the Windhoek Town Planning Scheme. The purpose of the application is to bring the use in line with the Windhoek Zoning Scheme. Sufficient parking is provided for on-site in line with the requirements of the Council.

Further take notice that the locality plan of the site lies for inspection on the Town Planning Notice Board in the Customer Care Centre, Municipal Offices, Rev. Michael Scott Street, Windhoek and at the offices of Du Toit Town Planning, 4 Dr. Kwame Nkrumah Avenue, Klein Windhoek.

Any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council (the Urban Planner-Town House, Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (final date for objections is 9 August 2024).
