Attachments: 22-0472 BID Grootfontein.pdf

Dear Potential Interested and Affected Party

Stubenrauch Planning Consultants (SPC) hereby give notice to all potentially Interested and Affected Parties (I&APs) that an application will be made to the Environmental Commissioner in terms of the Environmental Management Act (No 7 of 2007) and the Environmental Impact Assessment Regulations (GN 30 of 6 February 2012) for the following:

- **Subdivision of the Remainder of the Farm Grootfontein Townlands No. 814 into Portions A to O and Remainder;**
- **Rezoning of Portions A to E from “Undetermined” to “Institutional”;**
- **Reservation of Portions N to O as “Street”;**
- **Inclusion of the rezonings in the next Zoning Scheme to be prepared for Grootfontein.**

The proposed activities trigger listed activities as per the List of Activities requiring Environmental Clearance (Government Notice 29 of 6 February 2012) and accordingly require an Environmental Impact Assessment (EIA) to be conducted.

In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this EIA.

An Environmental Assessment will be undertaken to determine the potential impact of the development on the environment and to determine all environmental, safety, health and social impacts associated with the proposed development activities. A background information document is attached detailing the activity and the intended environmental assessment process.

In line with Namibia's Environmental Management Act (No. 7 of 2007) and EIA regulations (GN 30 of 6 February 2012), all I&APs are hereby invited to register and submit their comments, concerns or questions in writing via Email: bronwynn@spc.com.na; Tel: 061 25 11 89 or Fax: 061 25 21 57 on or before **5 October 2022**.
