Subject: Permission to prospecting in Omaheke Region

The Maharero Royal Traditional Authority (MRTA) hereby give permission to Mr. Monre Witt, ID. 78130 1017 1, with the Non Exclusive Prospecting License Nr. 4275 to prospect in Omaheke Region. The MRTA recognizes the essentiality of raw minerals in the daily lives of the people and how vital they are for the economic, social and technological development for the benefits of our societies, Namibia in particular and Africa in general. The MRTA therefore grant you this permission on the following conditions;

- That an MOU be signed between the MRTA and yourself and/or your company 30 days before the 1st extraction of the minerals in Omaheke Region.
- 2. There would be 50% profit share from the sales of the extracts in Omaheke Region.
- The MRTA and the community where the minerals are found would share the 50% mentioned in item No. 2, each getting 25% respectively.
- The Constituency were the minerals are found would set up a development fund where there is none, however
 if there is an existing fund, such fund could be utilized for depositing the profits share.
- Your company would be expected to have a cooperate social responsibilities in particular looking after the activities of the vulnerable groups of our society, such as people with disabilities, women, marginalized communities and young people.
- 75% of the employees to be Namibians, while 60% of them should be from the Constituency where the minerals are found.

The Maharero Royal Traditional Authority hope that the Ministry of Mines and Energy would approve your prospecting license. The Maharero Royal Traditional Authority would wish you good luck and hope to work with you mutually for the benefit of both yourself and the community we serve.

Please accept my consideration with highest esteem.

Sincerely yours,
