Does the proposed project affect you in any way?
Yes, the project affect me as it will have a impact on
your operations as tourist destination point.
It may come with health challenges thus it is imperative
that proper environmental assessment should be
carry out prior to commencement of project.
Exploration comes with pollution, noise etc and our
tourist + animal like quiet, environmental friendly ecosystem

Do you have any points of concern or support regarding the proposed projects?
If "yes", please briefly list these in point format:

YES / NO

Yes, see above

Do you wish this project to proceed?

YES / NO

Explain Yes/No: The project can proceed only with proper consultation
and agreement should be place. outlining economic benefit
for us as a base affected community. It should be
in the public interest and promote investment in the mining sector.
Project should further encourage local participation ensuring that
most benefit are retained within Namibia + with local
