OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Managing Director  
Multi Choice Namibia (Pty) Ltd  
P.O. Box 80630  
Windhoek  
Namibia

Dear Sir/Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE CONSTRUCTION AND OPERATION OF THE BROADCASTING BASE STATION AT ERF 1166, EXTENSION 3, RUNDU DISTRICT, KAVANGO EAST REGION**

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this environmental clearance certificate with the following condition (s); all key stakeholders must be properly consulted and written consent obtained prior to any development activities.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to continue. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for any misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Multi Choice Namibia (Pty) Ltd.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Fredrick Mupoti Sikabongo  
DEPUTY ENVIRONMENTAL COMMISSIONER
