**OFFICE OF THE ENVIRONMENTAL COMMISSIONER**

The Managing Director  
Organic Energy Solution (Pty) Ltd  
P.O. Box 16  
Windhoek  
Namibia

Dear Sir/Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE DE-BUSHING OF INVADER BUSH FOR THE PRODUCTION OF WOODCHIPS (BIOFUEL) FOR NAMIBIA BREWERIES LIMITED (NBL) BOILERS, OTJOZONDJUPA REGION**

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

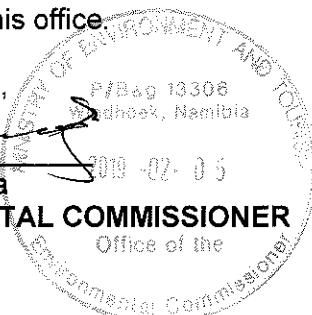

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this environmental clearance certificate with the following conditions (s): (a) relevant permitting authority involved must be properly consulted and written consent obtained from them; and (b) any key biodiversity habitats must be protected.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to continue. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for any misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Organic energy Solution (Pty) Ltd.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila
