**Molokai Farmer Miners Association**, Registration number 21/2008/0228, is a national association which was incorporated in the Republic of Namibia under the Companies Act, 2004 (Act No. 28 of 2004), on 28 February 2008, as a company limited by guarantee and is incorporated under Section 21 of that Act.

**Background**  
This association was founded as a vehicle to track down ex-miners that succumbed to tuberculosis and AIDS during their employment as South African mines as well as reaching out to their surviving families and find means of improving their welfare by assisting them in getting their social compensation benefits.

**The main purpose of the association is to:**

- Provide information services to former South African Mine Workers in liaison with the Southern Africa Mine Workers Association (SAMA).
- To register, maintain an up to date-base and expedite the processing of South African former Mine Workers' benefits by the Southern Africa Mine Workers Association.
- To facilitate in coming up with sustainable projects for improving the welfare of the ex-miners and their surviving family members through provision of grants.

The association is more than three years old in its 36 months of operation, so much ground has been covered in advancing the interests of the former mine workers and this press release seeks to reach out to those that still do not know the existence and those of its organization.

**Affiliates**

- Regionally, Molokai Farmer Miners Association is affiliated to Southern Africa Mine Workers Association (SAMA), which is also spread heading the same program at SADC level.
- In Namibia, the association is in partnership with NANAGO, a non-governmental organization which is based in Windhoek and Caprivi Hope for Life, which is based in Katima Mulilo.

These two organizations fall within the purview of Molokai Farmer Miners Association. The two organizations are also into fighting HIV, Tuberculosis, Malaria and other related diseases.

**Registration of former mine workers has already commenced in Katima Mulilo, and the names have been sent to South Africa for tracing.**

**Mzilikazi Former Miners Association.** Registration number 21/2018/0128, is a national association which was incorporated in the Republic of Namibia under the Companies Act, 2004 (Act No. 28 of 2004), on the 28 February 2018, as a company limited by guarantee and is incorporated under Section 21 of that Act.

**Background**  
This association was founded as a vehicle to track down ex-miners that succumbed to tuberculosis and silicosis during their employment in South African mines as well as reaching out to their surviving families and find means of improving their welfare by assisting them in getting their social compensation benefits.

**The main purpose of the association is to:**

- Provide Intermediation services to former South African Mine Workers in liaison with the Southern Africa Mine Workers Association (SAMA).
- To register, maintain an up to date-base and expedite the processing of South African former Mine Workers' benefits by the Southern Africa Mine Workers Association.
- To facilitate in coming up with sustainable projects for improving the welfare of the ex-miners and their surviving family members through provision of grants.

The association is more than three years old in its 16 months of operation, so much ground has been covered in advancing the interests of the former mine workers and this press release seeks to reach out to those that still do not know the existence and those of this organization.

**Affiliates**

- Regionally, Mzilikazi Former Miners Association is affiliated to Southern Africa Mine Workers Association (SAMA), which is also spread heading the same program at SADC level.
- In Namibia, the association is in partnership with NANASO, a non-governmental organization which is based in Windhoek and Caprivi Hope for Life, which is based in Katima Mulilo.

These two organizations fall within the armpts of Mzilikazi Former Miners Association. The two organizations are also into fighting HIV, Tuberculosis, Malaria and other related diseases.

**Registration of former mine workers has already commenced in Katima Mulilo, and the names have been sent to South Africa for tracing.**

# Namibia lose Africa final to Zimbabwe

• HELGE SCHÜTZ

NAMIBIA'S dream of competing at the 2022 Women's T20 World Cup came to an end on Sunday when Zimbabwe beat them by 13 runs in the final of the Africa qualifier at Gaborone, Botswana. Namibia had earlier had an unbeaten run to the final, beating Uganda, Nigeria, Sierra Leone and Cameroon during the group stages and Tanzania in the semi-finals. Their winning run, however, came to an end in the final when they fell 13 runs short of the winning target. Zimbabwe elected to bat after winning the toss and got off to a great start as Modester Mupachikwa and Chiedza Dhururu shared an opening stand of 76 runs at just under seven runs to the over. Kaylene Green got the breakthrough, taking two wickets in two balls, as she first trapped Mupachikwa lbw for 34 off 28 balls (6x4), and then bowled Mary Anne Musonda for a golden duck. Dhururu, however, steadied the ship with a patient 44 runs off 56 balls before being dismissed by Mercerly Gorases, while there were also solid contributions from Josephine Nkomo (22 not out) and Pefagia Mujaji (12), as Zimbabwe reached a competitive 133 for four wickets off their 20 overs. Green was Namibia's

top bowler, taking two wickets for 22 runs, while Irene van Zyl and Gorases took one wicket each. In Namibia's run chase, Sane Wittmann (4) and Yasmeen Khan (7) lost their wickets early, but Adri van der Merwe, with 29 runs off 34 balls (2x4) and Kaylene Green with 21 off 19 balls (3x4), steadied the ship. They took the total to 80 for four wickets, but the run rate slowed down and with 30 balls remaining they still needed 65 runs for victory. Wilka Mwatile added a valuable 26 runs off 24 balls (3x4), and Jurriene Diergaardt 18 not out off 12 balls (3x4), but it was too little too late as they were restricted to 120 for nine wickets to give Zimbabwe a comfortable victory.

For Zimbabwe, Nkomo (2/22), Precious Marange (2/20) and Nomsvelo Sibanda (2/7) took two wickets each. Zimbabwe now go through to the final qualifying round of the 2022 Women's T20 World Cup, while Namibia's journey comes to an end. Captain Irene Van Zyl, however, said they took some positives from the tournament. "Obviously, the result didn't go our way today, as we planned and strategised from the start and I think we let ourselves down in the fielding and bowling departments. We

gave them a few easy runs and we saw at the end it could have been a much closer game, the way we ended with our batting innings. "Overall, we are satisfied with the tournament. Obviously, we wanted to cash in with the final and make it a winning one, but now we will just go back to the drawing board, fix our mistakes, learn and grow together as a team, which has happened in the past few months. "It wasn't the worst of tournaments for us and we are happy to have ended in the final, but at the end of the day you want to make that count and make it one better than just the second place. So, we will work hard on our mistakes and come back better the next time around," she said.

**PUBLIC CONSULTATION MEETING MINUTES FOR THE:  
ENVIRONMENTAL SCOPING ASSESSMENT FOR MINING CLAIMS (MCS) NO. 66788-  
66821, IN THE ERONGO REGION**

**Date:** 23 October 2021

**Time:** 10H00 (The actual starting time was 11H00 to allow all member of the public to arrive)

**Venue:** Under a Tree at Neu-Schwaben Farm No. 148 (Commonly known as the assemble point)

The Public Meeting was attended by sixty-six (66) people, including the Environmental Consultant from Excel Dynamic Solutions (Pty) Ltd (EDS) - **Please refer to the attached attendance register**. The distinct representatives that attended the meeting are as follows:

- Small scale miners
- Members of the Neu-Schwaben Community (farmers, residents, and others)

**COVID-19 REGULATIONS ADHERENCE**

Upon arrival at the assemble point (tree), all the attendees were hand sanitized (given the COVID-19 Health Regulations). Also, due to COVID-19 and to avoid disturbance during the meeting, members were registering them self after sanitizing and after every attendee registered, the pen was wiped with a damp wipe. The attendees were writing down their names, contact details and sign so that they can be added to the existing list of interested and affected parties (IAPs).

**Translation or interpretations of languages (English to Otjiherero and Afrikaans)**

Afrikaans and Otjiherero are the well-spoken languages in the area of Neu-Schwaben. Thus, among the attendees, Mr. Gert Nauseb, (the community Chairperson) translated from English

to Afrikaans and Otjiherero throughout the meeting. This was to ensure effective communication in the meeting. This was also making sure that all comments and other inputs presented in the local language were recorded in the minutes for consideration.

## **INTRODUCTION AND WELCOMING REMARKS**

The meeting was opened with a prayer and Mr. Nerson Tjelos then introduced himself to everyone attending the meeting. He later expressed gratitude to everyone in attendance for making time to attend the meeting. She briefly explained to the attendees what the meeting was all about and why they were invited.

He further explained that Excel Dynamic Solutions (EDS) approached the Ministry of mines and Energy to offer free training to small scale miners and the ministry suggested that EDS must offer Environmental, Health and Safety training to small-scale miners at the Neu-Schwaben Mine. Mr. Nerson added that they have offered such services for free to other community member such as small scale miners in Goboboseb.

## **MEETING AGENDA AND DISCUSSION**

Mr. Tjelos had a short discussion with the community members present and explained the EIA process that will be covered during the training. He further proposed that the training will be plus minus two to three weeks.

The following topics will be covered during the training:

1. Health and safety of small-scale miners
2. Environment components and small scale miners
3. Preservation of the national heritage significant during the mining activities
4. The mining technique
5. Socio economic factor
6. How the mining license works
7. Financial component and
8. Understanding the mining value chain.

### **2.4 Public Open Discussion (Interactive Session)**

The meeting attendees were then presented with an opportunity to raise their concerns/issues and or comments regarding the proposed EIA study and proposed training.

The issues and comments recorded are presented in **Table 1** below.

**Table 1: Comments and issues raised during the public meeting in Neu-Schwaben**

Comment/ issue No.	Issue / comment / question	Response and name of responder:
1	The community members are grateful and happy for the service Excel Dynamic Solutions (Pty) Ltd (EDS) will be offering us and we request that EDS continues to offer such services.	<b>Nerson Tjelos:</b> Noted, with thanks.
2	When are we getting a building to sell the precious stones that we are mining?	<b>Nerson Tjelos:</b> I cannot promise when but maybe the community needs to focus on value addition to the precious stone before selling them.  In addition, maybe the government needs to set up a center in the near future.
3	Can you promise to help us until we achieve something?	<b>Nerson Tjelos:</b> We will assist as much as we can to allow for the success of the MCs activities to continue.
4	Who will be attending the training and where will the training be held?	<b>Nerson Tjelos:</b> The training will be onsite and everyone (small scale miners from Neu Schwaben Mine) will be welcome to attend the training.

## **FINAL REMARKS AND CONCLUSION OF THE MEETING**

Mr. Tjelos concluded the meeting by thanking the attendees for making time for the meeting and crucial input through comments and raising their concerns. He promised that they will be back with the training date soon.
