Attention: Mr. E Shikemeni

Dear Mr. Shikemeni,

ALLOCATION OF LAND FOR DESERT FRESH POULTRY (PTY) LTD

Your letter dated 26 July 2019 refers.

1. Council has not taken this decision lightly and thus reaffirms its resolution.
2. Desert Fresh Poultry may plan for the whole 300ha provided that such plans are shared with Council beforehand.
3. Council is not in a position to offer anything more than the 300ha.
4. Witvlei Village Council is having sole rights to deal with its resources; including land; and will do so in the best interest of all its stakeholders.
5. You are reminded that Council is yet to receive your project timelines, because as the entity that is releasing such a huge tract of land it is our fiduciary duty to demand such information. It would be appreciated if you could provide my office with the updated project implementation schedule by not later than 20 August 2019.

Yours faithfully

Hendrik Muisoor
