04 March 2019

OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr. Jan Sebastiaan Van der Merve
P O Box 118
Aranos
Namibia
Dear Sir,

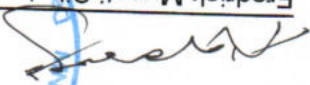

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED EXPLORATION
ACTIVITIES FOR MARBLE ON MINING CLAIMS NO. 68194-68196 & 68203, KARIBIB DISTRICT,
ERONGO REGION**

The Environmental monitoring, audit report and Environmental Management Plan submitted are sufficient as these have made an adequate provision of the environmental management for the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process. This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to proceed. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Mr. Jan Sebastiaan Van der Merve and his consultants.

This environmental clearance is valid for a period of (three) 3 years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Fredrick Mupoti Sikaongo
Deputy Environmental Commissioner
Office of the
Ministry of Environment and Tourism
Windhoek, Namibia
