RE: CONSENT LETTER FOR THE EXPLORING PROSPECTING LICENSE.

Referring to your request of 5 October 2022 the Swartbooi Traditional Authority Chief's Council held a meeting on the 12th October 2022 and has no objection with exploration and mining activities on claims 72545-72548, 72769-72774. The Swartbooi Traditional Authority further expect you to adhere to its Regulations and Customary Law, however we wish you to emphasize and consider Swartbooi Traditional Authority in any corporate social responsibility programs and its community especially the youth members in our area should be given preference on employment opportunities.

Further, we request you to ensure that the Swartbooi Traditional AUTHORITY is regularly updated on progress of the project.

I advise you to contact the Ministry of Mines and Energy to apply for your exploration and mining license. For any queries do not hesitate to contact the office or me.

Yours in community development,

Charles /Uirab
Acting Gaob
