OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr. Erastus. Nicodemus
The Manager
Grey Wall Properties
P O Box 626
Oshakati

Dear Sir,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE OPERATION OF SAND MINING PROJECT AT OHAIHANA VILLAGE, OHANGWENA CONSTITUENCY, OHANGWENA REGION

The Environmental Pro forma Contract for sand mining and Environmental Management Plan submitted are sufficient as these have made an adequate provision of the environmental management for the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective I issue this clearance with the following conditions attached as Appendix A.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Grey Wall Properties and their consultants.

This environmental clearance is valid for a period of (three) 3 years, from the date of issue unless withdrawn by this office.

Yours sincerely,

F. M. Sikabongo
DEPUTY ENVIRONMENTAL COMMISSIONER
