### Notice of Scoping and Environmental and Social Impact Assessment (ESIA) Process Invitation to register as an Interested and Affected Party for the proposed Erongo Substation and associated infrastructure

D&P Engineers and Environmental Consultants hereby gives notice to all potentially Interested and Affected Parties (I&APs) that an application will be made to the Environmental Commissioner in terms of the Environmental Management Act (No 7 of 2007) and the Environmental Impact Assessment Regulations (GN 30 of 6 February 2012) for the proposed Erongo Substation.

NamPower intends to construct and operate the proposed Erongo Substation and associated infrastructure (powerlines, transformers, access roads) due to the envisaged load growth in the Navachab / Karibib area. The proposed development entails developing an in and out substation on the Omburu-Khan 1 - 220kV line and stepping down to 66kV to ensure that more capacity is available.

The proposed substation will be located on Portion 22 Karibib 54 (20 Hectares) and Remainder Portion A Karibib (25 hectares) with a total land footprint of 45 hectares. NamPower thus purchased the 45 Hectares land for the proposed development.

NamPower (the proponent) has appointed D&P Engineers and Environmental Consultants to conduct the ESIA process for the Project. The ESIA is being conducted to satisfy the Namibian environmental legislative requirements.

The general public as well as any Interested and Affected Parties (I&APs) are hereby invited to attend the public meeting during which the potential environmental and social impacts of the project will be presented for comments and inputs from the public. The meeting is scheduled to take place as follows:

**Date: Wednesday 06 April 2022**

**Time: 11:00 AM**

**Venue: Klippenberg Country Club & Guesthouse Conference Room, Karibib**

**Interested & Affected Parties (I&AP) Registration and submission of comments:** To comment or receive further information on the project, please register with the consultant (contact details below) as an I&AP before end of business on 27 April 2022. A Background Information Document (BID) has been compiled for the project and is available upon request to the consultant, contact below. All registered I&APs will be informed throughout the assessment process and will be provided with further opportunities for review and submission of comments. Comments can also be lodged via the online form given:
