This letter serves to inform the Ministry of Mines and Energy that the Dâure Daman Traditional Authority acknowledge and support the planned EPL application by Mr. Johannes -Don Kuume Endjala, in my area of jurisdiction (Erongo region, Dâures constituency).

We fully welcome and support your wish to bring about development and socio-economic upliftment to this area through the desired mining exploration.

Upon your application to the Ministry of Mines and Energy being successful, kindly be mindful of the following, namely that:

- a. Preference should be given to the inhabitants of this area, in respect of employment opportunities;

- c. All parties affected or likely to be affected must be taken into cognizance, including (but not limited to) MEFT, NACOMA, Conservancy and the SRT;

- g. That there is to be signed an agreement between the Applicant and the Dâure Daman Traditional Authority, which has to be honored by both parties.

In conclusion, we foresee that the granting of the EPL to Mr. Johannes-Don Kuume Endjala will benefit the region as a whole, and enhance the livelihood of local community, by means of job creations, education and new skills development through training prospects for the short, medium- and long-term prospects.
