Windhoek
Namibia

Attention: Dr. Carol Garus-Oas

Subject: Environmental Impact Assessment for the Proposed Omungwelume Waste Disposal Site, Located in Omungwelume Settlement, Ohangwena Region, Namibia.

Dear Dr. Garus-Oas

This letter serves to inform the Ministry of Environment, Forestry and Tourism (MEFT), that I.N.K Enviro Consultants cc (I.N.K), an independent firm of environmental consultants, was appointed the Ohangwena Regional Council to undertake the Environmental Impact Assessment Process for the above subject.

The EIA reports for the proposed project have been submitted to the MEFT. However, it is identified that the MEFT is the competent authority for the proposed Waste Disposal Project, therefore comments should come from MEFT as the competent authority.

I hope the above is in order. Please let us know if there is any further information that your Department might require to enable you to make a decision regarding the proposed activities.

Yours Sincerely,

Immanuel N. Katali
Lead Practitioner and Project Manager
