(4) The trustees referred to in subsection (3) shall in the prescribed manner administer the fund referred to in subsection (2) and distribute it among the several persons establishing claims in connection with the incident from which the liability originated.

(5) Where any amount has already been paid in or towards satisfaction of any claim in respect of the loss, damage or costs to which the liability relates, by the owner of the ship, tanker or offshore installation in question or by the person referred to in section 15 as the insurer, the person who paid such amount shall, to the extent of that amount, be in the same position with respect to any distribution made by the trustees in terms of subsection (4) as the person to whom such amount was paid would have been.

(6) If the owner concerned has made any reasonable sacrifice or taken any other reasonable measures to prevent or reduce loss or damage to which the liability relates, he shall be in the same position with respect to any distribution made by the trustees in terms of subsection (4) as if he had a claim in respect of the liability equal to the cost of the sacrifice or other measures.

(7) If the owner or insurer referred to in subsection (5) establishes that he may be compelled to pay, at a date subsequent to the distribution in terms of subsection (4) of the fund referred to in subsection (2), an amount in or towards satisfaction of any claim as contemplated in subsection (5), which payment would have entitled him to the right envisaged in subsection (5) had it been made before the said distribution, the trustees may out of the said fund provisionally set aside an amount in order to enable the said owner or insurer to enforce the said right against the said fund at such subsequent date.

[Sub-s. (8) substituted by s. 5 of Act 24 of 1991.]

13 Compulsory insurance against liability for loss damage or costs

(1) No tanker carrying more than 2 000 long tons of oil in bulk as cargo shall enter or leave a port in Namibia or arrive at or leave an offshore installation in the territorial sea of Namibia nor, if such tanker is registered in Namibia, a port in any other country or an installation similar to an offshore installation in the territorial sea of any other country, unless it carries on board a valid certificate, issued by the competent authority specified in subsection (2), stating that there is in force in respect of such tanker a contract of insurance or other financial security for an amount not less than an amount fixed, *mutatis mutandis*, in accordance with the provisions of section 9 (5) (b), to cover the liability of the owner of such tanker for any loss, damage or costs which may become payable by him in terms of the provisions of section 9 (1) as a result of any incident which may occur in respect of such tanker.

(2) The certificate referred to in subsection (1) shall be a certificate issued-

- (a) in the case of a tanker registered in Namibia, by the Permanent-Secretary in terms of the provisions of section 14;
- (b) in the case of a tanker registered in a Convention State other than Namibia, by or under the authority of the government of such other Convention State.

(3) (a) A certificate shall not be a valid certificate for the purposes of subsection (1) if the period of validity of the insurance or other financial security to which it relates, will expire while the tanker concerned will be within the territorial sea of Namibia at a time before a new contract for such insurance or other financial security becomes operative.

(b) Insurance or other financial security shall be deemed not to satisfy the requirements of this section if such insurance or other financial security can be terminated, for reasons other than the expiry of the period of validity thereof, before the expiration of a period of three months from the date on which notice of such termination is given to the authority who issued the certificate in question, unless a new certificate is issued within the said period of three months.

(4) The master of a tanker referred to in subsection (1) shall at the request of any principal officer, oil pollution officer, customs officer, pilot, port captain or person authorized by the Minister in terms of section 7, produce the certificate in question to such principal officer, oil pollution officer, customs officer, pilot, port captain or person.

(5) If a tanker attempts to leave a port in Namibia or an offshore installation in the territorial sea of Namibia in contravention of the provisions of subsection (1), the Minister may cause such tanker to be detained until a valid certificate in respect of such tanker is produced.

(6) If a tanker enters or leaves, or attempts to enter or to leave, a port or arrives at or leaves, or attempts to arrive at or to leave, an offshore installation in contravention of the provisions of subsection (1), the master of such tanker and,

if the master is not the owner of such tanker, also the owner thereof, shall be guilty of an offence.

(7) If the master of a tanker refuses or fails to produce a certificate when requested in terms of subsection (4) to do so, the said master shall be guilty of an offence.

(8) (a) No ship carrying more than 2 000 long tons of oil in bulk as cargo and which is registered in a state other than a Convention State shall enter or leave a port in Namibia or arrive at or leave an offshore installation in the territorial sea of Namibia unless it carries on board a certificate as contemplated in subsection (1), issued by or under the authority of the government of a Convention State, or such a certificate recognized by the Permanent-Secretary.

(b) The provisions of subsections (3) to (7), inclusive, shall *mutatis mutandis* apply in respect of any ship and any certificate referred to in paragraph (a).

14 Issue of certificate by Permanent-Secretary

(1) (a) Every person desiring a certificate referred to in section 13 (2) (a) shall in writing apply therefor to the Permanent-Secretary.

(b) An application referred to in paragraph (a) shall be accompanied by the prescribed particulars and such other particulars as may be required by the Permanent-Secretary in connection therewith, as well as a prescribed amount.

(2) If, on an application referred to in subsection (1), the Permanent-Secretary is satisfied that there will be in force in respect of the tanker in question, throughout the period for which the certificate is to be issued, a contract of insurance or other financial security for an amount contemplated in section 13 (1), he shall issue to the applicant such certificate in the prescribed form.

(3) If, on such an application, the Permanent-Secretary is of the opinion that a doubt exists as to whether the person providing the insurance or other financial security will be able to meet his obligations under the relevant contract, or as to whether the insurance or other financial security in question will in all circumstances cover the owner's liability for any loss, damage or costs which may become payable by him in terms of the provisions of section 9 (1), he may refuse to issue a certificate.

(4) (a) If at any time after the issue of a certificate in terms of this section the Permanent-Secretary is of the opinion that due to a change in the circumstances a doubt of the nature contemplated in subsection (3) has arisen, he may cancel such certificate and shall upon such cancellation immediately notify the owner of the tanker in question and the person providing the insurance or other financial security thereof.

(b) Whenever the person to whom a certificate was issued by the Permanent-Secretary in terms of this section, ceases to be the owner of the tanker to which the certificate relates, the Permanent-Secretary shall cancel such certificate.

(5) The Permanent-Secretary shall send a copy of every certificate issued by him and a copy of every notice of cancellation in terms of subsection (4) to every principal officer, who shall hold such copies available for public inspection.

Prevention and Combating of Pollution of the Sea by Oil Act 6 of 1981

(6) Whenever a certificate is cancelled in terms of subsection (4) the person to whom the certificate was issued shall at the request of the Permanent-Secretary return such certificate to him within a period of thirty days as from the date of such request.

15 Proceedings against insurers

(1) If it is alleged that the owner of a tanker has incurred a liability in terms of the provisions of section 9 (1) as a result of an incident which occurred in respect of such tanker while there was in force in respect of such tanker a contract of insurance or other financial security to which a certificate referred to in section 13 (1) related. proceedings to enforce a claim in respect of that liability may be brought against the person (hereinafter in this section referred to as the insurer) who provided the insurance or other financial security.

(2) In any proceedings brought against the insurer by virtue of the provisions of this section it shall be a defence, in addition to any defence relating to the liability of the owner concerned, for such insurer to prove that the incident in question was caused by the wilful act or omission of the owner himself.

(3) The insurer may, whether or not the incident in question occurred without the owner's actual fault or privity, limit his liability in respect of claims relating to such incident, instituted against him by virtue of the provisions of this section, to an aggregate amount determined in accordance with the provisions of section 9 (5) (b) and shall for that purpose make an application to the court *mutatis mutandis* in accordance with the provisions of section 12.

(4) Where the owner as well as the insurer made an application to the court in terms of the provisions of section 12, any amount deposited or the payment of which was guaranteed in terms of section 12 (2) in pursuance of either application shall be deemed to have been so deposited or guaranteed also in pursuance of the other application.

16 Depositing of amount or furnishing of guarantee by owner of ship, tanker or offshore installation in respect of certain costs

If an amount has in terms of the provisions of section 9 (1) (b) become payable by the owner of a ship, a tanker to which the provisions of section 13 (1) do not apply or an offshore installation in respect of costs referred to in section 9 (1) (b), or if the Permanent-Secretary believes, on reasonable grounds, that an amount may become so payable, such owner shall either deposit with the Permanent-Secretary an amount, or furnish the Permanent-Secretary with a written guarantee, acceptable to him, for the payment of an amount deemed by the Permanent-Secretary to be sufficient to satisfy the amount which has or may become so payable by the said owner.

17 Refund of excess costs paid by owner

(1) If the Permanent Secretary is satisfied that no amount in respect of costs referred to in section 9 (1) (b) is, or will become, payable in terms of the provisions of that section by an owner referred to in section 16 and that no pollution or further pollution of the sea by oil will be caused by the ship, tanker or offshore installation in question, he shall-

(a) refund any amount deposited in terms of section 16, or so much thereof

as has not been utilized to satisfy any amount which had become payable by such owner in respect of such costs;

- (b) cancel any guarantee furnished in terms of section 16 if no amount is payable in terms thereof in respect of such costs or if any amount which became so payable in respect of such costs has been paid.

(2) The Permanent-Secretary may at any time refund so much of any amount deposited in terms of section 16, or, as the case may be, agree to a reduction of any amount guaranteed in terms of the said section by so much, as, in his opinion, is not required to satisfy any costs referred to in section 9 (1) (b).

(3) In the event of an application having been made to the court in terms of section 12 in respect of the incident in question, the Permanent-Secretary shall refund to the owner concerned so much of any amount deposited in terms of section 16, or, as the case may be, agree to a reduction of any amount guaranteed in terms of the said section by so much, as exceeds the amount to which the State is entitled in terms of a distribution made in terms of section 12 (4).

18 Ratification by Minister of certain expenses

The Minister may ratify the incurring of any expenses by the State (otherwise than in pursuance of section 5 (1) or (2)) or by any local authority or other public body or any other person in removing pollution of the sea by oil discharged from any ship, tanker or offshore installation, to the extent to which such expenses could have been incurred by the Minister in terms of section 5 (1) or (2) and any expenses the incurring of which has been so ratified, shall be deemed to be costs referred to in section 9 (1) (b).

19 Detention of ships pending payment of costs for which owner is liable

(1) If the owner of a ship fails to pay costs payable by him in terms of section 9 (1) (b), or fails to make a deposit or to furnish a guarantee which he is in terms of section 16 required to make or to furnish, the Minister may, in the prescribed manner-

- (a) cause the ship in question or any other ship or ships, or the ship in question and any other ship or ships of the owner-
 - (i) to be detained until such costs have been paid or such deposit has been made or guarantee furnished, as the case may be: Provided that such detention shall not exceed a period of seven days or such further period as the High Court of Namibia may authorize; and
[Sub-para. (i) amended by s. 6 (a) of Act 24 of 1991.]
 - (ii) on the authority of the High Court of Namibia and subject to its directions-
 - (aa) where such detention has been effected because of a failure to pay such costs due, to be seized and, after notice in the *Gazette* of the proposed realization thereof, to be realized in

satisfaction of those costs;

- (bb) where such detention has been effected because of a failure to make a deposit or to furnish a guarantee, and costs become payable by the owner in terms of section 9 (1) (b) at a time when the required deposit has not yet been made or guarantee has not yet been furnished, to be seized and, after notice as prescribed in item (aa), to be realized in satisfaction of those costs;

[Sub-para. (ii) amended by s. 6 (b) of Act 24 of 1991.]

- (b) on the authority of the High Court of Namibia and subject to its directions, cause to be seized and realized in satisfaction of those costs, any goods of such owner on such ship or ships.

[Para. (b) substituted by s. 6 (c) of Act 24 of 1991.]

(2) The Minister shall cause any ship or goods detained or seized in terms of subsection (1) to be released forthwith from detention or seizure if the owner concerned pays the costs, makes the deposit or furnishes the guarantee referred to in that section or by virtue of a direction contemplated in section 12 (2) deposits an amount with the Master of the High Court of Namibia or furnishes the said Master with a guarantee as contemplated in that section, before the realization, in terms of the said subsection, of the ship or goods in question.

[Sub-s. (2) substituted by s. 6 (d) of Act 24 of 1991.]

(3) Notwithstanding anything to the contrary in any law contained, the proceeds of the realization of any ship or goods which took place in terms of this section, shall be applied to satisfy the costs in connection with which the realization took place, with preference over the satisfaction of any lien upon such ship or any obligation secured by a mortgage over such ship or goods or a share therein.

(4) The provisions of this section shall *mutatis mutandis* apply to the owner of a tanker to which the provisions of section 13 (1) do not apply.
