

### ***3.08 MONTHLY RAINFALL IN DETAIL***

#### ***Data ID***

***Description:*** Seasonal rainfall patterns month by month, for each degree square

***Chapter:*** Ch03 Climate

***Geographical area:*** Namibia  
Coastal

***Keywords:*** average  
Monthly  
Rainfall

***Notes on data, analysis and compilation, and source:*** The station data used to obtain monthly averages came from the following report (available from [www.the-eis.com](http://www.the-eis.com)): Namibia Resource Consultants. 1999. Rainfall distribution in Namibia: Data analysis and mapping of spatial, temporal, and Southern Oscillation Index aspects. Windhoek: Ministry of Agriculture, Water and Rural Development.

GIS raster grid files of mean monthly rainfall, created as part of the report, were summarised by each degree square. For the coastal charts, data for each month in each degree square were amalgamated into the 3-month groupings.

#### ***Data resolution and notes***

***Resolution:***

***Data types included:*** Vector

#### ***Spatial reference***

***Projection:*** Geographic

***Spheroid*** WGS84
