

# ***SUNSHINE HOURS***

## ***Data ID***

***Description:*** Average number of sunshine hour sper day at six coastal locations

***Chapter:*** Ch2 Weather and water

***File name:*** Average hours of sunshine per day.xls

***File type:*** Excel file

***Geographical area:*** Coastal Zone

***Keywords:*** sunshine  
average  
hours  
Figure 12

***Notes on data, analysis and compilation, and source:*** This file contains data on hours of sunshine summarised by month for 6 coastal stations. The data were obtained from Namibia Meteorological Services. Some information from Alexander Bay in South Africa was used for Oranjemund, just across the Orange River. It also includes values for the maximum possible number of sunshine hours. For the shapefile depicting average sunshine hours per day across the country, refer to the Atlas of Namibia.
