

Chinese national bust with 18 rhino horns

24 November 2016 | Breaking News

A Chinese national who departed Hosea Kutako International Airport bound for Johannesburg this morning at 06:40, was bust with 18 rhino horns in his luggage at Oliver Tambo International Airport in Johannesburg. He was bound for Hong Kong. At this stage, it is not known whether the horns originate from Namibia although experts say it is highly likely as he departed from Windhoek. The horns were in a sealed and wrapped suitcase. He is in custody in Johannesburg and investigations continue.
