1.

Three Namibian men were arrested last week in connection with rhino poaching and two over horn smuggling.

According to the weekly wildlife crime report from 31 August to 6 September from the Namibian police and the Ministry of Environment, Forestry and Tourism, a total of ten suspected wildlife criminals were arrested and six new cases were lodged.

Messrs. Esra Kariripi, Jamunika Tukki Turitjo and Uatjitavi Lambard Turitjo were arrested at Okahao last Monday and a rhino carcass, a .303 hunting rifle and 23 cartridges were seized.

Messrs. Jonas Indongo Valombola and Stein Ipinge Shikomba were allegedly arrested at Omungwelume on Friday with a rhino horn in their possession.

At Okahao, Mr. Uatondasana Delina Tjaritje was allegedly caught with 142 ietermagô scales last Monday.

Messrs. Lukas Kandware and Diaas Mangundu were allegedly arrested in Ndiyona last Wednesday with a kudu carcass in their possession.

Last Thursday, Mr. Vilho Shishitwomunhu was allegedly arrested with a ibex carcass in his possession at Onandjamba.

At Kamanjab, Mr. Isascar Gaingob was arrested last Monday and nine pieces of zebra meat, a .308 hunting rifle and a .22 rifle were seized.
