Two men were arrested around 09:00 yesterday in the Dordabis region after allegedly poaching two black rhinos, a cow and a calf, on a farm. The suspects were in possession of a hunting rifle and 15 bullets, three of which had already been used. Two rhino horns were also found. The rhinos are valued at around N\$500,000 each. The men were charged with various offenses including hunting protected wildlife and possession of unauthorized weapons. The police investigations are ongoing.
