## Two rhinos poached in Outjo

Staff Reporter

THE Namibian police have reported another wildlife crime, as two rhinos were poached in the Outjo district on an unknown date in June. According to the weekend crime bulletin, the incident involved the hunting of specially protected game species without a permit and theft of rhino horns. It is alleged that unknown suspects unlawfully and intentionally hunted and killed two white rhinos, with a value estimated at N\$660,000. The carcasses were recovered, no arrests have been made, and police investigations are ongoing.

According to the Ministry of Environment, Forestry, and Tourism, this brings the total number of rhinos poached this year to 23.
